

Chesapeake High School
Community School Progress Summary 2019-2020
Principal: Mrs. Amy L. Wesloski

<p>BCPS Vision: Baltimore County Public Schools will be among the highest performing school systems in the nation as a result of creating, sustaining, and investing in excellence for every student, every school, and every community.</p>	<p>School Mission: To provide rigorous, relevant, responsive and accessible academic and extra-curricular experiences through a STEM based culture that fosters 21st century skills.</p>
Literacy	
Goal: All students will achieve CCR standards for Evidenced Based Reading and Writing.	
Raise the Bar	Close the Gap
<p>Instructional Focus: Students will engage in curriculum aligned close readings in each of their content areas and utilize annotation strategies, such as numbering, paraphrase, and questioning, in order to improve overall comprehension.</p>	<p>Instructional Focus: Students will focus on annotation of texts and respond to text-dependent questions. Students will also focus on unpacking and understanding the questions.</p>
Math	
Goal: All students will achieve CCR standards for Evidenced Based Mathematics.	
Raise the Bar	Close the Gap
<p>Instructional Focus: Students will utilize the school wide annotation strategy to unpack mathematics questions and word problems. Students will identify and apply mathematics annotation strategies to answer questions. Students will use feedback in order to address misconceptions in the questions.</p>	<p>Instructional Focus: Students will utilize the school wide annotation strategy in order to unpack mathematics questions and word problems. Students will identify and apply mathematics vocabulary to answer questions. Students will use feedback in order to address misconceptions in the question and application of vocabulary.</p>
Climate	
<p>Goal: The 4-year, 2016-2020 cohort, will meet or exceed the BCPS graduation rate of 89%.</p>	
<p>Focus: Develop, implement, and monitor a project graduation plan that targets students' success in earning course credits, completing Student Service-Learning Hours, and meeting mandated testing requirements.</p>
