

# Student Device Bag Washing Instructions

Student bags need to be washed alone in a wash machine using a gentle wash cycle and small amount of detergent. Bags must be air dried.

1. Make sure bag is completely empty.
2. Remove the name label from the bag.
3. Remove the strap from the bag.
4. The bag should be washed on a Friday evening or Saturday morning so that it has time to dry before Monday morning.
5. The bag should be hung up and propped open to dry.
6. Put the strap back on the bag.
7. Put the name label back in the bag.
