Chesapeake High School STEM Academy
Student Parking Permit and Registration Form

Students driving to school are required to register all vehicles that will be parked in the school's parking lot. Complete and return the form below.

Student parking lot can be accessed by entering the schools' property using the first entrance on Turkey Point Road coming from Back River Neck Road. Students must use the assigned parking lot. Parking for students is a privilege; a yearly fee of $12 is required to cover the cost of permit decals and record keeping. Students under the age of 18 MUST have parental consent and signature. Parking permits are limited and therefore will be issued on a first come first served basis (other restrictions apply). Parking permits may be revoked at any time by the school administration without refund.

Complete and return this form with payment of $12.00 in the form of cash, check or money order payable to Chesapeake High School in an envelope addressed to the attention of Officer Hunter.
